

FREEDOM **AXIS**™

Freedom Axis™ was designed to securely power and merchandise any tablet in any setting. Its unique design provides a fixed display allowing for full 360° rotational interactivity, perfect for high-risk environments. A quick-release key allows sales associates to unlock the tablet and deliver the best possible side-by-side selling experience, allowing customers to fully engage with the tablet.

FREEDOM AXIS™

POWERS AND SECURES TABLETS REQUIRING UP TO 21 VOLTS
